

# The Promised Land Ministry

“... If therefore your eye is good, your whole body will be full of light”. (Matthew 6:22 NKJV)

## **LEADERSHIP INSTITUTE FOR CHURCHES**

Whether you are an Apostle, Pastor, or volunteer in a leadership position there can exist challenges that can reduce the effectiveness of the church leader. The Leadership Institute for Churches program provides our clients with leadership modules in the areas of personal development, skills, and relationships. Each program is customized according to the needs of our clients.

### **BENEFITS**

- Understand the role of the effective church leader
- Learn principles of Christian leadership
- Learn how to make decisions that enhance the church
- Learn how to develop church membership community relationships that enhance your church
- Learn to develop a culture that focuses on the vision or the church
- Learn to communicate and delegate effectively
- Learn effective team building skills

### **TRAINING MODULES**

#### *Personal Development*

The topics are designed to provide participants an opportunity to explore the principles that form their identity as a Christian leader. The topics provide the leader an opportunity to examine their core beliefs and values as well as their motives for leading, and their strengths, and weaknesses. Topics include:

- |                       |                         |                   |
|-----------------------|-------------------------|-------------------|
| ◆ Character           | ◆ Integrity             | ◆ Self-discipline |
| ◆ Commitment          | ◆ Leader Qualifications | ◆ Values          |
| ◆ Courage/Risk-taking | ◆ Obedience to God      | ◆ Vision          |
| ◆ Dependence on God   | ◆ Priorities            | ◆ Wisdom          |
| ◆ Humility            | ◆ Purpose/Passion       |                   |

# The Promised Land Ministry

“... If therefore your eye is good, your whole body will be full of light”. (Matthew 6:22 NKJV)

## *Skills*

Skills are needed to make appropriate decisions that will enhance the organization. The topics are designed to enhance the decision-making process from biblical perspectives and enhance the leaders' ability to accomplish leadership tasks. Topics include:
